Teenager top rider

Participating in the gymkhana at the Castaic Saddle Club arena, 13 year old Beverly Thomas, atop her quarter horse Buster Brown, captured first prize in the speed event and received her ribbon from Ruth O'Connor, popular horsewoman of Newhall.

A member of Equestrian Trails Corral 12 of Sylmar, Beverly, like many other Corral members, turns up each month at the neighboring arena where agile riders and the pounding hoofs of top horseflesh combine to keep up a modern version of the Old West.

Upper Division: 1st Place Trophy Winner Exhibit by Jerry Hovey

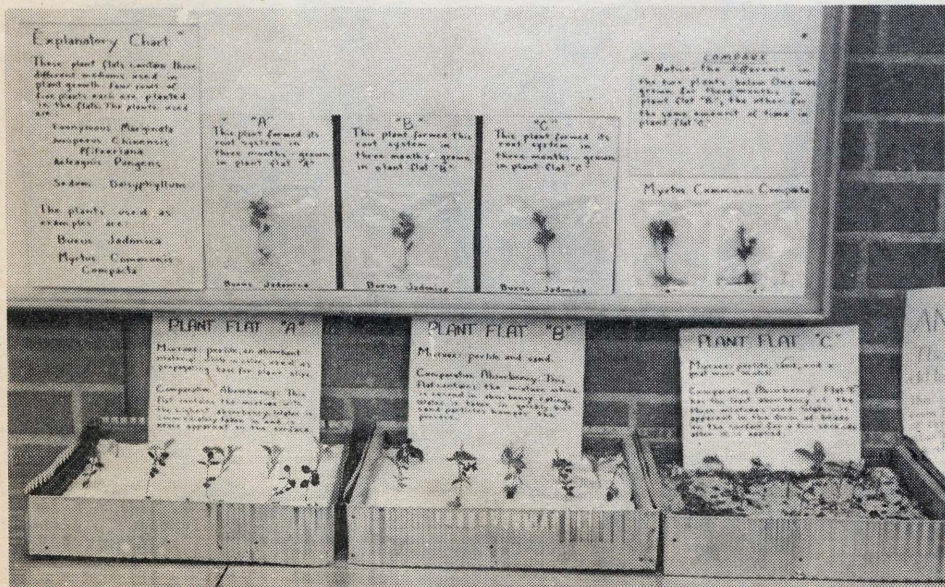

Public interest in the Science Fair held in the William S. Hart High School cafeteria Saturday morning was satisfactorily in evidence despite the cold and inclement weather.

The competition, open to students of junior and senior high schools, was sponsored by the science class of the high school. It displayed exhibits and experiments, performed or constructed on the students own time.

The winners of trophies in the upper division (9, 10, 11, 12th grades) were: Terry Hovey, first; Jim Arnold, second; and Kurt Schnepfle, third. Top honors were captured in the lower division (7, 8, and 9th grades) by two Placerita Junior High students: Nadine Betsworth, first; and Bruce Wirtanen, second. Third prize went to 9th grader, Bonnie Moore.
