### Dedication

It is with deep sadness that one of our dedicated members, Jaylene Armstrong, passed away peacefully on June 11<sup>th</sup>.

Jaylene was a passionate advocate to the arts. She worked tirelessly to have art in our community for all to see and appreciate. Jaylene was a catalyst in acquiring the SCAA Art Gallery and fortunately did see her efforts come true. The gallery is thriving today, thanks to her guidance and experience.

Jaylene tirelessly promoted the arts in the community, writing articles for the Magazine of Santa Clarita on a regular basis. She also assisted in fundraising efforts for the SCAA gallery, ensuring visibility of the group and promoting our "making visual art visible" motto.

### Today's Musical Entertainment: The Riva Spier Trio

Spier had a successful career performing in films, television commercials and doing voice-overs in animated films. Relocating to Los Angeles brought opportunities to form her band of top local musicians and to perform in venues and studios.

Currently she writes songs and performs a spicy repertoire of vintage torch, sultry blues, jazz standards and playful country tunes with a unique voice which has been described as a delightful blend of soul and sass with a pinch of trail dust.' Her latest album Unbridled is available at [cdbaby.com/cd/riva](http://cdbaby.com/cd/riva). Accompanying Spier are Michael Hughes on keyboard and Larry Stensvold on guitar.
