*Vision's '98* was done entirely on computer. Students in the yearbook class learned to design lay-outs, scan photos, crop photos, and orchestrate typography. In addition, they learned the photo lab which consists of: developing black and white roll film and printing. The entire Spring ID section is created and photographed by students. So I thank you, for a JOB WELL DONE!

Thank you to **Dan McCune**, a Bowman student and a fine artist, who designed the front cover of this yearbook. Best wishes to you as you pursue a career in art!

*Feel the Fear*

*Fear, it captivates  
your mind and engulfs  
all other feelings. It  
keeps you in suspense,  
intoxicates your  
thoughts. The fear of  
death, the fear of  
failure, the fear of  
hurt, the fear of fear.  
It can push you to  
your greatest limits, it  
can suffocate you just  
the same*

I heard reds exploding

*I found purple hiding  
I met blackness all alone.  
I looked for pinks to calm  
me down.  
I needed whites to soothe the  
pain*

*I asked for brown what was  
happening  
I remembered silver leading  
to the heavens.  
I lost gold somewhere along

I chose orange to  
accompany me*

# *Peggy Effertz 27 years of dedicated service and providing T.C.C. to over 12,000 Bowman students.*

*Peggy grew up in Gardena California and graduated from Gardena High School in 1957 she attended El Camino Junior College and received her AA degree in 1959 And in 1968 she and her family moved to the Santa Clarita Valley where they were one of the original homeowners in the Old Orchard tract of Valencia*

*Peggy has three adult children Steve Don and Laurie She is also the proud grandmother of 8 year old Cale 7 year old Jason 5 year old Coby Melissa who is also 5 and Kelsie who is 9 months*

*The Wm S Hart Union High School District hired Peggy in 1972 Her first position was at Bowman High School and her first principal was Rocco Cacciatore She has served under every Bowman principal since that time in her capacity as Registrar/Secretary Peggy has handled the transcripts and school records for over 12,000 students and she still remembers most of them!*

*Outside of school Peggy enjoys traveling gardening and for the last nine years she has been an active "clogger" For her next career she plans to become a wine hostess in the vineyards of Napa Valley upon her retirement*

*Most of her Bowman memories will of course center around the students and co-workers with whom she has worked over the past 26 years Peggy feels that she and the Bowman staff know and care about their students in a special and personal way And that philosophy is reflected in the friendly and warm personality of Bowman's very own Peggy Effertz.*
