**AUCTION '79**

ADMISSION CATALOG DONATION \$10.00 PER COUPLE

# WELCOME

The Santa Clarita Valley Boys' & Girls' Club welcomes you to its 8th Annual Benefit Auction. It is through your concern and generosity that this youth guidance organization is able to deliver services to the young boys and girls of this area. We wish you a highly enjoyable evening and hope that you continue to help us by bidding generously on the auction items.

## The Auction

**THE AUCTION** will be divided into two parts: the **LIVE AUCTION** will feature verbal bidding on items. The **SILENT AUCTION** will feature written bidding for auction items. Bid boards are posted on the walls of the Main Gallery at California Institute of the Arts. We respectfully request that you carefully read the **RULES OF THE AUCTION** listed in the catalogue.

## The Boys' And Girls' Club

The Santa Clarita Valley Boys' & Girls' Club, an affiliate of Boys' Clubs of America, is a private, non-profit youth service agency. It has qualified as a tax-exempt charitable institution with the United States Internal Revenue Service and the State of California Franchise Tax Board.

**THE MOST INCLUSIVE CLUB** in the Valley, the Boys' & Girls' Club is open to all youngsters 7 through 17. All can benefit, but perhaps those who get the most from belonging are those from families where there is just one parent or where both parents work and cannot participate in youth groups that are dependent upon volunteers.

**SOCIAL RECREATION**, co-educational sports, arts and crafts, special events, camp-outs, trips and guidance were provided for more than 3,000 boys and girls in 1978. Branch satellites, which are within easy walking distance for a large number of members, are open every weekday from 3 to 9 p.m. Frequent camp-outs and trips are planned for weekends.

**THE BOYS' & GIRLS' CLUB** has a trained professional staff who recognize and respond to the restless energies, curiosity and youthful quest of young people for "something to do." The members benefit from the guidance and the direct influence of their capable leaders.

2. **All bidding** at the auction will require a **bid number**. Your personal bid number is located on the **back of your catalogue** along with your registration certificate. Fill out your registration card in advance to avoid congestion at the entrance on the auction evening. A bid card is required for all bidding and purchasing of items.
3. **During the live auction**, when you want to bid on an item, **wave your pom-pom** as frantically as possible to attract the auctioneer's or spotter's attention. If you win an item, immediately announce your **bid number** to the auctioneer or spotter and remain in your seat.
4. A **"runner"** will bring a sales slip directly to you, indicating the prize you have purchased and the amount of your winning bid. You may wait until the end of the evening and pay for all your purchases at one time at the cash table.
5. **All items** are subject to the **6% California sales tax which will be added to the amount of your purchase.**

## VISA & Master Charge Accepted

Nine groups of bid board items are listed in this catalogue. Additional items will be added to group 10 and will be listed in the addendum, published just before the auction.
2. **Each item** can be located according to its group number. Bids will be accepted on each item until the board closes. The following are the closing times:

3. **All items in the silent auction** have bid sheets attached or affixed nearby. Persons desiring to bid must do so by legibly writing their name, bid card number, and the amount of the bid on the bid sheet. **Any bid without a bid card number will be automatically disqualified.** At the time of the closing of the particular group of silent auction items, there may be held a mini-live auction in the event that two or more persons are bidding on an item, see below.
4. **Each bid sheet** notes a **minimum value** by which the existing bid must be increased in order to constitute a higher valid bid. Each new bid must be written on the **uppermost blank line** available on the bid sheet.
5. **All bids** must be in **even dollar amounts** (no cents). Any bid which includes cents will be automatically disqualified.
6. **The bid boards** will be closed approximately at the times stated here in the catalogue. However, the official closing will be that time when the Boys' & Girls' Club Official actually removes the bid sheet from the board.
7. **In the event** that bidding is still in progress when the Boys' & Girls' Club Official attempts to close the board, the Official shall conduct a **mini-live auction** on the spot allowing all persons wishing to bid to do so and shall determine the winning bidder, subject to rule 8 below.
8. **After the bid board is closed**, the bid sheet will be taken to the item verification table. At this time, the validity of all bids will be verified (bid number, even dollar bids, minimum increase, etc.) The highest valid bid will be declared the winner and the decision of the official will be final. Shortly after the board is closed, an official shall post the bid number of the winning bidder on the board.

## General Rules

1. **The Boys' & Girls' Club** requires that all prizes be **paid for in full** at the auction. Payment may be made by cash, check, BankAmericard, VISA, or Master Charge.
2. **Unless otherwise specified**, all auction items and services must be used **within one year from June 9, 1979**. Unless otherwise specified or stated by donor, all items are transferable from the winner to another person.
3. **According to the Internal Revenue Service**, only the amount paid for an auction prize **"in excess of the actual cash value of that prize"** is tax deductible. A written receipt indicating such an amount, for tax purposes, will be issued to you after the auction at your request.
4. **All sales are final.** However, the Boys' & Girls' Club will refund the full purchase price of any item where there is a failure of performance either on the part of the Boys' & Girls' Club or on the part of the donor.
5. **All winning bidders** are to report to the cashier's table to pay for the items and to claim their prizes. Any bidder not making arrangements for **payment at the cashier's table by 12:30 a.m.** may, at the discretion of the Boys & Girls Club, forfeit his right to purchase the item and it will be made available to the next highest bidder.
6. **All items** should be removed from the premises on the night of the auction. In the event you cannot remove your purchases that evening, then you must do so between 12 noon and 5 p.m. on Sunday, June 10, 1979. If you wish to do otherwise, prior arrangements must be made by either the purchaser or the donor.

## Additions and Corrections

This catalogue contains only those items available at the time of publication. A special addendum, to be published and given to each guest at the auction, will list an additional group of bid board items. The addendum will also list all corrections and deletions necessary for any item published in this catalogue.

The Hottest Thing This Year About The  
Boys' And Girls' Club Auction Is

# THE PRICE IS RIGHT

If you've been outbid in the silent auction or live auction in years past or if you've never been before, you won't go home empty handed this year. THE PRICE IS RIGHT has items for everyone between \$1 and \$50. All you have to do is put your consumer thinking cap on and guess what the retail price on a favored item might be. If your guess is the closest to the retail price, you get to buy the item at the price you guessed. Sound good? Art works, valuable gift certificates for merchandise and services, music boxes, a mixer and even a reconditioned mini-bike are some of the things available. For a complete list of items, watch for our separate PRICE IS RIGHT catalogue.

PRICE IS RIGHT opens at six. To catch your best guess, we are the first thing you see upon entering the auction area. The PRICE IS RIGHT is the HOTTEST thing at FIESTA '79. See you there.
