## **THANK YOU FOR SUPPORTING THE CLUB!**

Dear Friends and Supporters of the Club,

Mike and I are so honored to co-chair the auction for the fifth year. Many people told us what a great time they have had the past few years, and together, we raised a lot of money for the Club. This year we really changed up the theme and made it fun and close to our hearts... Super Heroes! Defending the Future for our Children.

It's a real "full circle" moment for Mike and I, you see, Mike was a Club kid too! Coming to the Emblem Clubhouse was a big part of his early adolescent years. The Club gave him a place to go after school where he learned about teamwork and community, and he always felt safe. Mike was given great opportunities and can attribute part of his success today to his years at the Boys & Girls Club. We know about many of the challenges facing kids today and we understand firsthand, what sort of impact the Club can make in a young person's life — changing and shaping their entire future.

Our sincere thanks go out to all of our sponsors, donors, volunteers and our guests in the room tonight — because tonight does not happen without all of them and all of you!

So, once again, tonight is about revisiting the great memories we have made over the years while making a real difference in the lives of the children in the Santa Clarita Valley. We hope that you enjoy the evening knowing that you are making a life changing difference for a child. You are helping to ensure that Santa Clarita remains the best place to live, work and play, by being here tonight and supporting the Club! So please, be generous, open your hearts and be a SUPER HERO!

Sincerely,

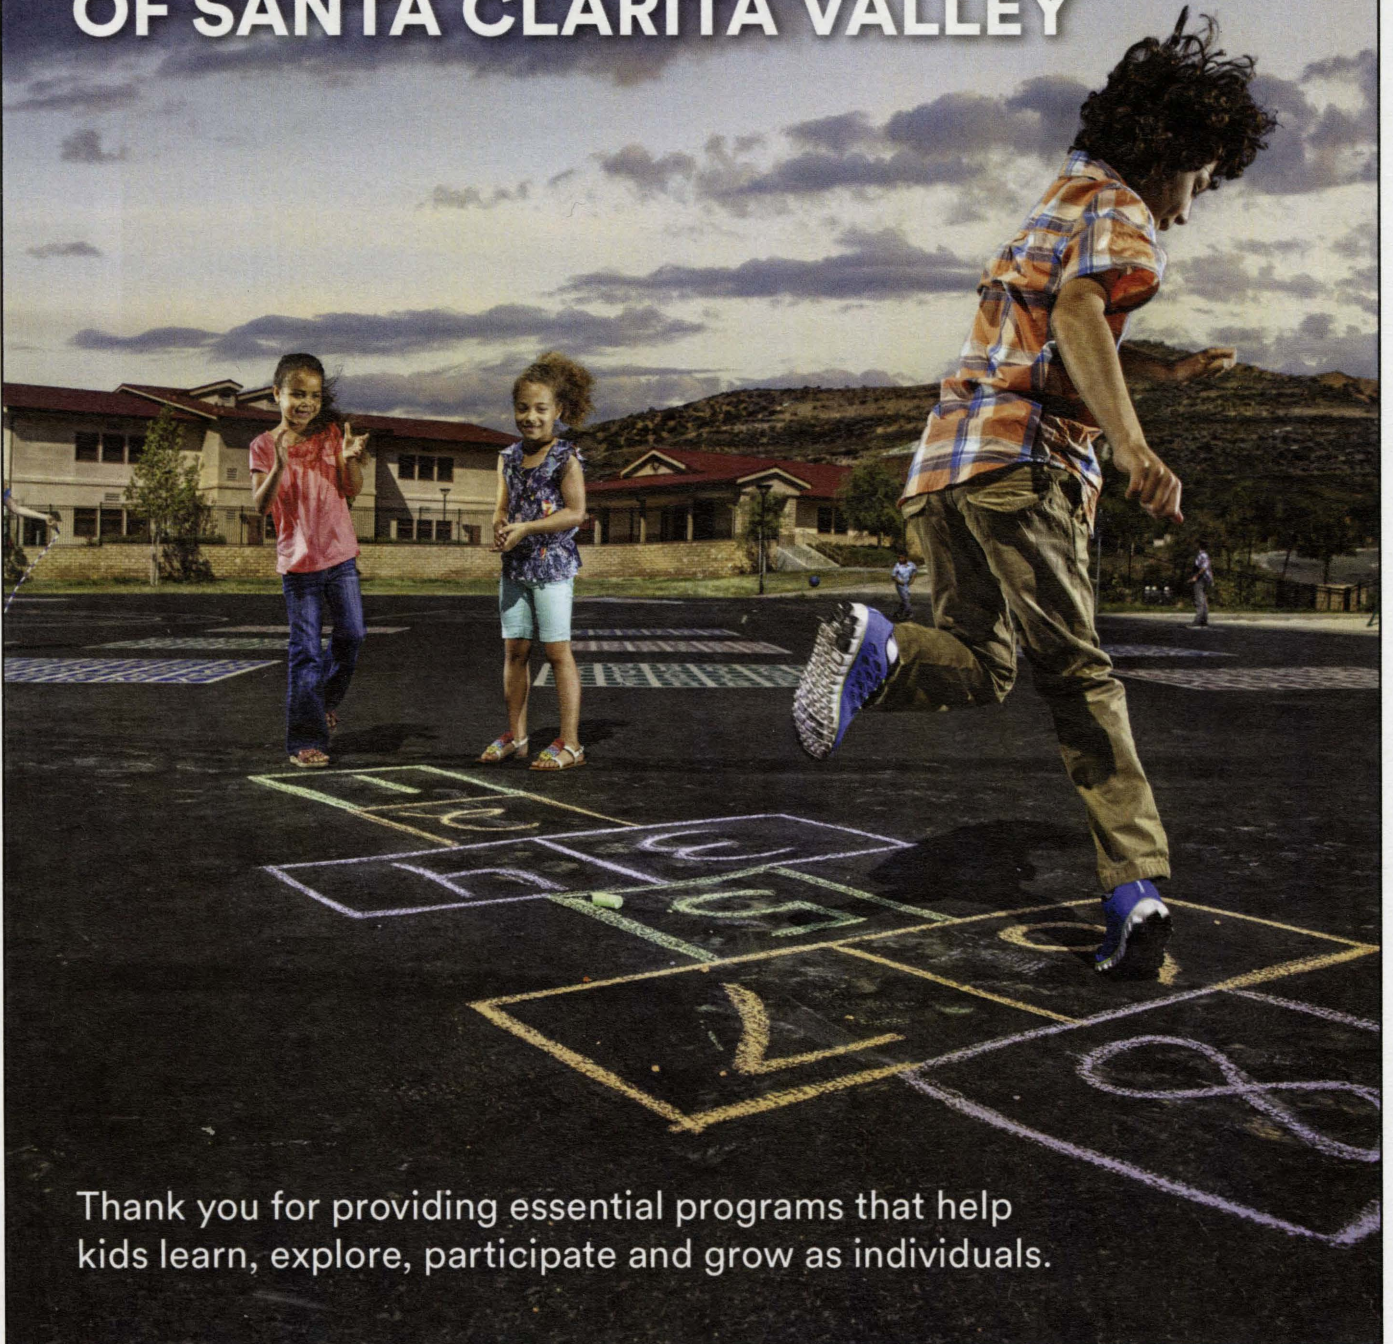

**Ann-Marie & Mike Bjorkman**

# **A better way to give... a larger gift, and... a larger deduction!**

Great news! The Boys & Girls Club of Santa Clarita Valley now accepts securities donations! Make a bigger impact by donating long-term appreciated securities, including stock, bonds, and mutual funds, directly to The Club. Compared with donating cash (after tax wages) or selling your appreciated securities and then contributing the after-tax proceeds, you can instantly increase your gift and your tax deduction by over 20%. It's simple and easy. Securities donations may be used to purchase auction items.

# Auction Guidelines

## HEROES RAFFLE

1. The Heroes Raffle/Opportunity Drawing will close at 7:45 p.m. and the winning ticket will be announced prior to the beginning of the live auction. The winner has their choice of any live auction item with the exception of the following:

- Head table for 2020 auction, Jewelry items #7, #18 and #29. Princess Cruise #14, Bathroom Remodel #22. Additional exclusions (if any) will be announced prior to the drawing.

See page 15 for complete rules.

## LIVE AUCTION

1. The Live Auction will begin about 8:00 p.m. and will run until approximately 10:00 p.m. It will consist of the voice auctioning of items in the order that they appear in the Live Auction Section of this catalog with additional items that are listed in the Addendum.

2. All bidding at the auction will require a Bid Number. Your personal bid number is located on the bid card you receive at registration and you should treat it as you would cash or credit card.

3. During the Live Auction, when you want to bid on an item, raise your Bid Number as to attract the attention of the auctioneer or your spotter. If you win an item, please remain in your seat and hold your Bid Number for the auctioneer to see. A runner will come to you with a receipt to verify your purchase price. An audible bid, once accepted, as the final bid is a bidding contract.

4. You may wait until the end of the evening and pay for all of your purchases at one time at Check Out.

5. Sales tax will be applied to all goods (not services) according to current California sales tax law and the tax, which will be added to the amount of your purchase.

## HEROES & HIGH HOPES

Around 8:45 p.m. in the Live Auction, Item #24 will feature "Heroes & High Hopes".

If you want to do more than bid on items, you can make a pledge during "Heroes & High Hopes". Club membership is only \$60 per year, however the cost per member is approximately \$500 per year, so making a pledge for "Heroes & High Hopes" will ensure that the Club can continue to change lives!

## BID BOARDS

1. Bids can be made on bid board items beginning at 5:00 p.m.  
2. Legibly write your bid number and name where indicated.  
3. DO NOT REMOVE BID SHEETS.  
4. Regular bids will be accepted on each bid board item until the sections close.

5. Following are bid board closing times by section:

Group 1                      Items 101-154 .....6:50 p.m.

Group 2                      Items 201-268 .....7:05 p.m.

Group 3 & Addendum      Items 301-348.....7:20 p.m.

6. Printed bid increments must be observed and all bids must be in full dollar amounts (no cents) according to the increments posted. If a bid is raised by less than the posted amount for the next increment, that bid will be disqualified.

7. After bid boards close, the bid sheets will be taken to item verification.

At this time the validity of all bids will be established (bid number, even dollar bids, minimum increases, etc.) The highest valid bid will be declared the winner and the decision of the official will be final. Shortly after the board is closed, an official will post the bid number of the winning bidder on the board.

8. Items won through bid boards will be paid for and picked up at Check Out.

## GENERAL RULES

1. The Boys & Girls Club requires that all auction purchases be paid for in full at the auction. Payment may be made by cash, check, Visa, MasterCard, Discover, American Express or Debit Card.

2. Unless otherwise specified, all auction items and services must be redeemed by June 1, 2020. Unless otherwise specified or stated by donor, items are transferable from the winner to another person. Services are restricted to the SCV unless specified otherwise.

3. According to the Internal Revenue Service, only the amount paid for an item in excess of the retail value of that item is tax deductible. A written receipt indicating such an amount for tax purposes will be issued to you after the auction if requested.

4. For our guests' protection, the Boys & Girls Club recommends winning bidders of Live Auction trips purchase trip cancellation insurance to protect their investments. The Club cannot refund monies for trips that the buyer must cancel due to illness or other personal emergencies. However, the Boys & Girls Club will refund the purchase price of any item where there is a failure of performance either on the part of the Boys & Girls Club or on the part of the donor.

5. Prior to leaving the Auction, all bidders should go to checkout to verify their purchases. All winning bidders are to report to the cashier's table to pay for the items and then to item disbursement to claim them. Any bidder not making arrangements for payment at the cashier's table by the end of the evening may, at the discretion of the Boys & Girls Club, forfeit his right to purchase the item and it may be made available to the next highest bidder.

6. Whenever possible, all items should be removed from the premises on the night of the Auction. **In the event you cannot remove your purchases that evening, you can pick them up starting on Monday, June 3, 2019 from the Newhall Boys & Girls Club at 24909 Newhall Avenue, Newhall CA 91321. Call (661) 254-2582 if you need to make other arrangements.**

7. There may be minimum bids placed on some items. The Boys & Girls Clubs of Santa Clarita Valley, or an agent thereof, has reserved the right to bid.

8. Certificates for goods and services are not redeemable for cash.

MasterCard, VISA, American Express, Discover and Debit cards will be accepted for purchasing of auction items. All transactions must take place at the cashier's table upon "checkout."

# Programs that Work

Boys & Girls Club programs engage young people in activities with adults, peers and family members that **enable them to reach their full potential**.

We nurture young people's self-esteem by instilling in them a sense of belonging, usefulness, influence and competence. We provide young people with one-on-one relationships with caring adult professionals and fun, age-appropriate, well-rounded programming. This framework for youth development and proven, nationally recognized programs provide young people with the knowledge, skills and attributes they need to pursue their dreams and succeed in life.

## Education and Career Development

Our goal is to support and enhance the efforts of teachers and counselors to ensure academic achievement and instill a desire for life long learning.

**PROJECT LEARN** (supported by Henry Mayo Newhall Foundation, LM Aero Club, & Southern California Edison) is an innovative program that increases learning skills and academic achievement by engaging members in interesting and fun high-yield learning activities during non-school hours. **PROJECT LEARN** activities include:

- Focused homework help and tutoring
- Learning Activities in all program areas at the Club
- Parent and adult involvement
- Collaboration with schools
- Incentives and Accountability

## PROJECT LEARN

**LEGO ROBOTICS** (supported by ZONTA of Santa Clarita & City of Santa Clarita) is a National program where members build, program, and test robots. Members learn science and engineering skills in a fun and engaging team-building atmosphere.

## The Arts

The arts programs enable youth to develop their creativity and cultural awareness through knowledge and appreciation of the visual arts, crafts, performing arts and creative writing.

In the Digital Arts Lab, Club members receive training in digital arts including photography, photo illustration, filmmaking, music making, stop motion animation, web design, and video game design, while introducing them to possibilities for future careers.

Our annual Fine Arts Contest, Digital Arts Festivals and Talent Shows encourage creativity and artist expression while everyday art projects with clay, paints and wood give young people many avenues for personal expression.

## Character and Leadership Development

We strive to empower youth to support and influence their Club and community, sustain meaningful relationships with others, develop a positive self-image and good character, participate in the democratic process, and respect their own and others' cultural identities.

Our **KEYSTONE CLUB** gives young people from 14-17 years of age an opportunity to develop leadership skills and discover the value of community service, as they design and implement projects and activities that help them grow personally.

Our local teens have received national recognition for community service and leadership. Their signature event is the annual Haunted Jailhouse, staged at our local Sheriff's Station. This community-wide event attracts over 5,000 people and provides a safe, fun Halloween experience for Santa Clarita families. Regional and National Keystone Conferences broaden horizons and help develop young leaders.

**LEADERS IN TRAINING (L.I.T.)** - Leaders in Training is a development program for teens ages 13-17. L.I.T. helps empower our members to become caring, productive and responsible leaders through training and positive experiences achieved by the following guiding principles:

- Character Development
- Volunteer Service in the Club and Community
- College Career Readiness
- Community & Cultural Awareness
- Team Building.

## Sports, Fitness and Recreation

These programs seek to develop fitness, positive use of leisure time, skills for stress management, appreciation for the environment and social skills.

The Club sponsors leagues in basketball, softball, soccer, arena hockey, flag football and other sports with an emphasis on teamwork, fair play and effort.

Other activities include volleyball, whiffle ball, and radical relays. Activities in our games room area include the annual Pinewood Derby, daily ping-pong, pool, air hockey and foosball. Special tournaments for all age and skill levels are conducted. (supported by Kaiser Permanente)

## Health and Life Skills

These programs develop young people's capacity to engage in positive behaviors that nurture their own well-being, set personal goals and live successfully as self-sufficient adults. In addition to specialized programs, informal counseling sessions occur as needed and referrals are made in circumstances when specialized counseling is needed.

**SMART GIRLS** and **PASSPORT TO MANHOOD** groups address critical health and lifestyle issues with an emphasis on avoiding drugs, alcohol, tobacco and teen pregnancy. Discussions on responsible conflict resolution, healthy dietary choices, handling peer pressure and cooking classes help prepare young people for healthy, productive lives as adults.

**TRIPLE PLAY:** A game plan for the mind, body and soul is a dynamic program that demonstrates how eating right, keeping fit and forming positive relationships create a healthy lifestyle. Members engage in daily physical activities for the health of their growing bodies and demonstrate the fun of staying fit. This program includes a cooking class every Wednesday to equip our members with the skills in preparing healthier meals. They also participate in monthly presentations that encourage them to take small steps to a positive behavior changes.
